VAT & CUSTOMS DUTIES

We do not charge UK VAT on our Packages. We'll handle all of the logistics and paperwork for customs clearance. Please note that as the importer you are responsible for paying local VAT (TVA) and customs duties.

You will receive an invoice sent directly from the Customs Agent which must be paid before the lorry can cross the border.

If you are planning to set up a business to manage rentals of your property, then you may be able to reclaim the VAT (TVA) element of these charges. The customs duties cannot be reclaimed. We recommend that you seek professional advice on any matters relating to tax.
